SCHOOL OF INFORMATION TECHNOLOGY MATS UNIVERSITY, RAIPUR (C.G.)

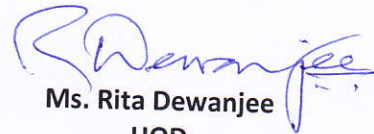

Women Day

School of Information technology celebrates "Women's Day" every year by initiating different activities to provide the m help, care and to feel them at home.

Department spotted an old Age house taking care of Bangladeshi women located at MANA camp Raipur and marched towards it to meet with them to know how the life is there and donated sweets, sarees to them.

This small stand makes a great deal of move and milestone as the message reflecting with this is to care, help, secure and love women regardless of their caste, state, country and religion as it is taught by all religious books of all community and by the Indian constitution as well.

Ms. Rita Dewanjee
