

## **WORKSHOP '2013-14'**

### **Workshop on Leadership, Teambuilding, and Career Planning**

A leader is a person who leads the path of success of every business organisation. Team building is also an integral quality of a good leader. And career planning plays very crucial role in deciding the growth and prospects of every individual. Keeping in view of this idea MATS School of Management Studies and Research had conducted a National Level Workshop on the theme "Leadership, Teambuilding, and Career Planning". The department received an overwhelming and enthusiastic response from the academicians, industry experts, practitioners and scholars as participants. The motive behind choosing this theme was to focus on the importance of Leadership, Teambuilding, and Career Planning in existing scenario and emerging issues related to issues and how it is to be dealt with. Resource persons and participants showed their interest shared their views and opinions regarding the theme. Workshop was a real successful event.
