CIRCULAR (Revised)

To enhance digital learning and promote the effective implementation of online education, the MATS University has established the **Swayam Advisory Committee**. This committee is formed in alignment with the national initiative SWAYAM (Study Webs of Active Learning for Young Aspiring Minds), which aims to provide quality education through MOOCs.

The committee will oversee the integration of SWAYAM courses into the academic curriculum, guide students in course selection, and support faculty in course adoption and mentoring. It will also ensure compliance with UGC guidelines, encourage awareness programs, and monitor the overall impact of SWAYAM courses on student learning and academic performance.
