

**MATS UNIVERSITY**

## **Press Release**

### **MATS and East Carolina University USA, Signed MOU**

MATS University Raipur and East Carolina University, USA signed an MOU for enhancement of education opportunity in the areas like, Exchange of Student and Faculty Members, Joint Research and Academic Activity, Special Short-term Academic Programs and Exchange of Educational, Cultural and Administrative materials. This will open vast academic avenues for the students of MATS University. The University expects that its students will get international exposure and shall have the quality of their learning at par with that of USA.

For East Carolina University the MOU was signed by Dr. Ron Mitchelson, the Senior Vice-Chancellor for Academic Affair for East Carolina University, USA and Prof. Byju John, Vice-Chancellor of MATS University.

Both the Vice-Chancellors congratulated each other and students of their Universities for this agreement and hoped that it will enhance the educational research and outreach opportunities of their students and faculty. They assured each other that although this MOU is for one year only but by the process of renewal they will make it perpetual so that the students and faculty of both the Universities get benefitted for a very long time.

Chancellor of MATS University Shri Gajraj Pagariya and Director General of MATS University Shri Priyesh Pagariya congratulated both the Universities and their associates for attaining this milestone and hoped that they will surely avail the opportunities created by this MOU. Registrar of MATS University Shri Gokulananda Panda assured that the University shall execute this MOU to such an extent that every student and staff gets benefited by it.
