

MATS UNIVERSITY

Press Release

SAY NO TO PLASTIC

School of Engineering & I.T, MATS University Raipur, in association with Smart City Raipur Limited conducted an awareness event at Telibandha (Marine Drive). The event included a “Nukkad Natak” on “No Plastic” performed by the students of School of Engineering & I.T. A “Rally” was conducted by the students and faculties of MATS University with the message “Say No to Plastic”. During the rally, the Gumthi Vendors were explained the ill effects of plastics and were requested to stop using plastic and use paper products instead. They were distributed with Paper Cups as a token of responsibility. Raipur Smart City Limited’s M.D Mr. Rajat Bansal praised the students of the University for their efforts and welcomed them to the campaign. Dr. P. Udaya Kumar, Principal, School of Engineering & I.T encouraged students for the event and said it’s a good initiative for environment conservation. Honorable Vice Chancellor Prof. Dr. Byju John asked everyone to quit plastic from daily use. Mr. Gokul Nanda Panda, Registrar, MATS University said these kind of events should be conducted on a regular basis for the development of our city.
