MATS University shine at 10th IISF 2024 Conclave

Central Chronicle News

RAIPUR: The Department of English at MATS University is proud to announce that four of its students—Radhika Sahu, Disha S. Madhavan, Manisha Parida, and George Horo with Assistant Professor Rukhsar Parveen participated in the Media Conclave held during the 10th India International Science Festival (IISF) 2024. The prestigious event took place from November 30th to December

3rd, 2024 at IIT Guwahati, bringing together young leaders, innovators, and key stakeholders from the realms of science, technology, and media. Ms. Rukhsar Parveen, Assistant Professor and Coordinator, expressed her excite-

ment: “We are thrilled to be part of this event organized under the Viksit Bharat @2047 initiative, where our students had the opportunity to interact with the best minds in science communication. It’s not only an opportunity

We are thrilled to be part of this event organized under the Viksit Bharat @2047 initiative.

Coordinator.

for them to represent our university but also to play an active role in shaping the dialogue on how media

can influence scientific progress.”

The IISF Media Conclave provided a unique platform for students to engage with renowned scientists, media professionals, and industry experts. This opportunity allowed the MATS University students to interact with some of the brightest minds in the field of science communication, gaining invaluable exposure to the latest developments in research and technology in India.
