

## INTERNATIONAL CONFERENCE

Mats School of Management Studies and Research organized two-day international conference at conventional hall of circuit house, Raipur on May 14-15, 2024, International conference was organized. On the first day of the event (14.05.2024) Deputy CM of Chhattisgarh Shree Arun Sao graced the event by lamp lighting and inaugural speech. Smt. Phool Basan Yadav a well-known socialist Padma Shree awardee also graced the events and gave motivational speech to the audience. On the second day of the event Shree Digvijay Bhim Rao Raut FIDD executive RBI talk with the audience regarding the significance of research in our life. Mrs. Sheetal Verma, Director ministry of finance gave speech and felicitate certificate distribution. The key-note speaker for the conference was Chavi Nayak. An international conference is a formal gathering of professionals, researchers, academics, or industry experts from around the world to discuss a specific theme, share ideas, present research, and foster collaboration. International conferences allow attendees to gain insights into the latest research, trends, and technologies in their field. Engaging with experts helps broaden your knowledge and understanding. These events also offer workshops and sessions that can enhance practical skills.
