MATS University to launch the ‘Connect Raipur’ initiative under Mor Raipur Club

Raipur: The mayor of Raipur city visited MATS University to launch the ‘Connect Raipur’ initiative under Mor Raipur Club. The program commenced with the lighting of lamp by the chief guest, Honorable Mayor of Raipur, Shri Pramod Dubey, Vice Chancellor, Prof Col Dr. Byju John, Director General, Shri Priyesh Pagariya and the Registrar, Shri Gokulananda Panda.

The mayor, while addressing the students said that, it is responsibility of every individual to keep the city clean . He also said that Raipur is at the forefront of development in Chhattisgarh and it is one of the most progressive cities in India. While talking about the Smart City initiative, the Mayor informed the students about various projects like beautification of Telibandha lake, the tallest flag in the country, central library, construction of multi-level parking, Nalanda Parisar etc.

Under the ‘Connect Raipur’ initiative of ‘Mor Raipur Club’, MATS university was chosen by the authorities to initiate the program. The Mayor also appreciated the effort of MATS University regarding its institutional social responsibilities to keep the city clean. He also extended his thanks and gratitude to the students, staff and management of University for their support towards all the initiatives of Smart City & Municipal Corporation, Raipur. He also informed the students about the benefits of registering for ‘Connect Raipur’ under Mor Raipur Club and encouraged the students to join the ‘I contributed for Raipur’ movement. He also made an appeal to the students and faculties to daily update their facebook & other social media accounts with a post about any positive change, they see in the city.
