

# ACTIVITY REPORT

- Name Of Event- Engineers Day
- Date/ Year- 15 September 2016
- Number of participants- 300
- Faculty involved- 05
- Result - To share important role of engineers in developing India.
- Event summary/outcome- September 15 is celebrated every year in India as “Engineer’s day” to commemorate the birthday of the legendry engineer Sir M. Visvesvaraya. He internationally recognized for his genius in harnessing water resources.

On that occasion we organized quiz competition in university campus, the title was “Role of engineers in a developing India”. Students inspired by the topic and huge number of participants came with an enthusiasm in the quiz that proves the importance of engineers in different sectors in developing India.

- Attendance-300
