INTERNATIONAL CONFERENCE

ON

**CURRENT DEVELOPMENT IN
LAW, SOCIETY AND ECONOMY 2018**

**ON SUNDAY
7th OCTOBER, 2018**

CONCEPT NOTE:

It is said that law is an ideal reflection of a society and it is the law which portrays the fundamental distinction amongst creature and human life. Without a doubt, it is conceded that lawful training in any nation assumes an indispensable part in advancing social equity and in this way, law experts and academicians are called "Social concocts". The laws of any nation establish the framework of peace and arrange, and guarantee advance and security in all parts of subjects' lives in the territories of business, instruction, travel, well being, and entertainment. A decent lawful framework is responsible for the well being and security of its residents and is principal for advance in any general public. It is equally important that those who are given the responsibility to ensure law, order and justice, have the courage to uphold the rights of all citizens.

Legal education encourages perfection of expression, clarity in arguments and discussion and the ability to explain the written words and give an approach to understand the social values. So, 'Law acts as the cementing ingredient of society and an essential medium for social change. Educators of law thus, possess the task of not only shaping each and every generation of legal practitioners into knowledgeable and responsible agents but also sensitise on the study of issues which surrounds the practice of law and its implementation across jurisdictions.

Keeping this aim in mind to promote legal studies, this conference will pinpoint the legal, socio-economic and commercial challenges faced by the legal profession and provide an opportunity to exchange information and learn from the proceedings. Delegates from all over the country will have an opportunity to network, exchange views & experiences and find possible solutions for many of the current legal issues in the international and national sphere.

ABOUT MATS UNIVERSITY:

MATS University is committed for spread and propagation of knowledge in varied and wide varieties multidisciplinary subjects of education from grass root level to higher education. The umbrella of subjects includes Engineering and Technology, Management, Science, Arts and Humanities, Computer Science, Business Studies, Fashion and Interior Design, Law, Education and Physical Education for service to the society and nation at large. MATS University develop professionally skilled manpower for the welfare of society with social & ethical values through modern and exhaustive curriculums.

ABOUT MATS LAW SCHOOL:

The MATS Law School was established in the year 2009 with the aim of providing inter-disciplinary teaching and research opportunities. The Law school offers undergraduate, postgraduate and doctoral programs in the field of law. In a very short

span of time, the Law School has taken significant steps in providing world-class education and knowledge creation. The law school library is rich in a myriad book, journals, and other reference materials. It also has access to various online legal databases. Classrooms are well equipped with projectors and other IT tools for education. The school endeavours to add a practical element to the core subjects thereby making the course more relevant and productive.

The students are prepared for the practice of law through Clinical Legal Education programmes through which a coterie of competent and socially responsible lawyers emerge. The school offers, Three Years LL.B. (Hons.) Programme, Five Years B.A. LL.B. (Hons.) Programme, Five Years B.B.A. LL.B. (Hons.) Programme, Two Year LL.M. Degree Programme & Doctor of Philosophy (Ph.D.) in Law.

THEMES & SUB-THEMES

The aim of the Conference is to promote the exchange of knowledge and views of educationists, jurists, practicing professionals, social activists, and individuals in their areas of interest, relating to social justice and social change. It will provide a platform for sharing knowledge, practices, and perspectives from distinct academic communities, professionals, and vocationalists.
