

Tech -MATS 2019

Event Report

Department of School of Information Technology, MATS University initiated a new chapter in its success book entitled with **"Tech MATS"** and started executing the same, 2 years back from 2017. This event is designed with a goal, offering students a platform to learn, develop and raise their skills in various areas, with covering series of events in different domain like sport, knowledge, art, literature as well as education and research.

The Tech MATS -2019 is a 4-day full time event started from 15th day of February 2019 and will be concluded by 18th of February 2019 after today's event of **IT Uddhyamita III 2019**.

1. The Event was started from 15th of Feb 2019 with the first competition named **"Vision Drawing Competition"**, registering 15 students and offering platform to promote and furnish the artistic talent of students. The sole idea of the competition is just not only to explore and expose the artistic skill of the talented youth but to fine tune their skill with the suggestion and knowledge showered upon them by the expert team of judges called from different part of the state of Chhattisgarh. The second competition was **"E-Sport"** which registered more than 80 students to battle in the war of e-games like NFS, Ludo and PubG.
2. 16 February 2019 department of School of Information Technology conducted national seminar on **"Advances on Computational Technology and Applied Domain (ACTAD-2019)"** with the vision to promote research aptitude among the students, to offer a platform to research scholars to get acquainted with latest research and the direction through which the science and technology is inviting, resulting the better society and better human life. More than 25 scholars, 200 students and around 100 faculty members participated in the national seminar and got benefited by extremely talented key note speakers **Dr. Anjani Kumar Shukla, (Chairman-Chhattisgarh Private University Regulatory Commission- CGPURC), Prof. Sanjeev Parashar (Indian Institute of Management, Raipur) and Prof. Durga Prasad Mohapatra (NIT, Rourkela)**.

Parallely the **"Knowledge Buzz and Quiz Competition"** was also executed inviting 16 graduate and post graduate students' team to participate and explore their talents in the direction of exploring the knowledge in the field of General knowledge, Current Affairs, Reasoning and aptitude.

3. **"OXYZONE competition"** conducted on 17th February 2019 at **"City Center Mall, Devendra Nagar, Raipur"** gave an opportunity to kids, young, adults and couple to sing, dance and show their celebrity talents. A musical evening introduced more than 100 new faces and were judged by the very expert talents including **Mr. Rahul Kukreja (Event Manager, AR Events), Mr. Rishi and Anvesh Mallick, Mr. Lavnit Sinha (Founder Aura Dance Class) and Ms. Dhara Maheshwari**.
4. Today, 18 February 2019 the final day of the event comprises of three different activities that includes **Science and Technology Exhibition, Fun Fair** and **"IT UDDHYAMITA 2019"**, the event eventually gathers us all under one hood. The technological exhibition gives a in site about the innovations in the field of Computer Science and Engineering whereas IT UDDHYAMITA offers an excellent platform for youth to know about the skill inevitable to excel, survive, manage and succeed in the all aspects of life. More than 1200 students and teachers of various school, and colleges participated **"IT UDDHYAMITA 2019 "** and got benefited by extremely talented key note speakers **Shri Pramod Dubey, Mayor, Raipur City, Prof. Pradeep Kumar Sinha, Vice Chancellor**
