**ANNUAL REPORT  
2014-2015**

## VISION

To become a world class center in providing globally relevant education. MATS will be the Global University, known for the quality academic programs and outstanding faculty, products and services to students and clients independent of place and time constraint. MATS University will be a benchmark institution for lifelong partnerships with students, the workforce and public and private enterprises. Building on its proud tradition, MATS University will extend educational opportunity to those who will make our state (Chhattisgarh), our nation and global society a better place to live and work.

## MISSION

To foster an intellectual and ethical environment in which the spirit and skills within MATS will thrive so as to impart high quality education, training, research and consultancy services with a global outlook and human values. To create and develop technocrats, entrepreneurs and business leaders who will strive to improve the quality of human life. To create truly world class schools of Management Sciences, Engineering Sciences, Information Technology, Basic and Applied Sciences, Humanities & Social Sciences and Life Skills.

## OUR VALUES

[The Guiding Principles]

- > The courage to dream
- > The thirst for knowledge
- > The passion to excel
- > The conviction to break free
- > The vision to build
- > The skill to achieve
- > The character to inspire

neither Hammer the Table

## MATS Law School

Only choice for those who wish to achieve something in their life subject to hard work you corporate we guarantee to make you the best . No matter what you are today and where you are. That is promise of the Director, thousands have been benefitted why not you. Today, legal education has to meet not only the requirements of the Bar but also the new needs of trade, commerce and industry, in the context of growing internationalization of the profession. Hence, the Mission of MATS Law School is to contribute to the better preparation of lawyers as they increasingly engage in transnational or global legal practice, and when they pursue careers other than private practice, including governmental, non-governmental, academic and corporate careers.

MATS Law School is a place of continual activity, and unrelenting vitality. The array of experiences and opportunities that the Law School offers has no parallel in legal education in India. The range of academic and extracurricular activities, along with the variety of faculty and students, will make each day a potential adventure. MATS Law School's commitment to rigorous and exciting legal training is intimately connected to the MATS University's commitment to path breaking scholarship. Using a wide range of methodologies and bringing to bear insights from numerous other academic disciplines, the faculty of MATS Law School plumbs the depths of everything.

MATS Law School is a place for people who love ideas because ideas make a difference, who want to think about the law's interaction with public policy, who care about how things work and how to improve them, who wish to avail themselves of the diverse opportunities that the legal profession offers to serve the public. We assure you that at MATS Law School, the study of law will not be an arid intellectual exercise. If you are a student here, the School will expect much of you; from the very first day of class, it will challenge you to think and do things you didn't know you could. It will reward you by exposing you to ideas that will captivate and inspire you, by teaching you skills and ways of thought that will serve as the foundation of your career.

If you are the one who is looking for, the best quality legal education we welcome you to join the MATS Law School.

**100% Placement of BBA-LL.B Batch**

## MATS SCHOOL OF ARTS AND HUMANITIES

**S**chool of Arts and Humanities at MATS University caters to an outlook in Hindi, English and French languages that equip a student to meet the challenges of his/ her future endeavours. It provides a mutually supportive and positive learning environment. The syllabi are thus designed that they amalgamate with the courses for different Schools of Studies at MATS University. Course specific syllabi for example have : Project Report Writing, Abstract Preparation, Seminar, Presentation, Feature Writing, Interview Skills, Project Report Writing Presentations, Mock Interviews, Letters – Formal and Informal, Sales & Collection letters.

To sharpen the skill of the students it provides ample opportunities by the activities conducted under Literary Club and हिन्दी परिषद to provide a cutting edge to their skills and develop a better outlook. Activities like : Dialogue Delivery, Debates, Extempore, Stage various dramas famous authors.

The professional way of nurturing the students shall makes them qualify exams like IELTS and TOEFL. The School offers unique courses in the form of a Double Honors, Diploma that will open vistas of tomorrow for the students, where they would get a wide spectrum of PG Courses to choose from and it will also provide a vocational backing side by side.

## MATS SCHOOL OF INFORMATION TECHNOLOGY

**A**s technology evolves, the demand for tech-savvy individuals is expected to increase as well. MATS School of Information Technology, MATS University's IT degrees and certificates could give you the knowledge and skills you need to start or advance your technology career. Earning an IT degree online can seem like a daunting task, but MATS University faculty and staff are available to students through email and phone calls as well as weekly seminars.

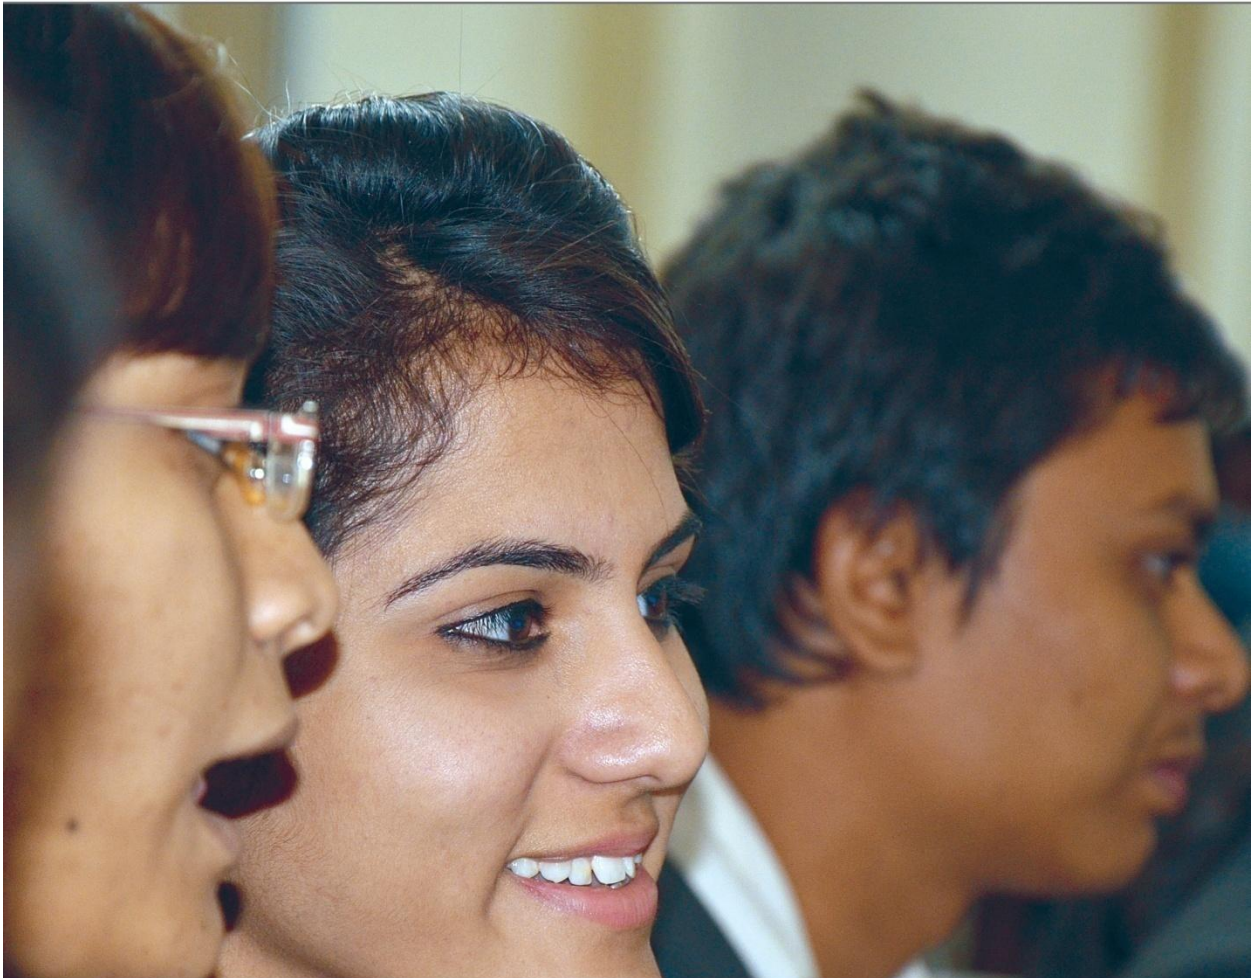

MATS University students who have completed their information technology degrees have gone on to work at major corporations in India. The IT degree program offered by MATS University presents students with real-world scenarios and offers the support to learn in an interactive environment. Even in a difficult economy, a degree from MATS University is an investment in your future. Technological advances are not slowing down and those who can manage information technology and all that an IT degree encompasses could have a relevant career ahead of them.

## MATS School of Information Technology

**I**t is the primary responsibility of the privileged few to share the knowledge and resources with the rest for the advancement of the nation and the world. School of Information Technology was established in 2008 with a vision of technical and economic empowerment of Indian society through technological knowledge. Indian brains have proved their intellectual superiority through extraordinary performance in IT industries for last two decades. This big pool of our country's intellectual resource has to be guided in the most efficient manner to reap maximum benefit for the nation. Individual as well as the knowledge empowered academic lineup will only be able to ensure fulfillment of this objective.

Enriched with state-of-the-art lab facilities, equipments and faculty members with expertise in different areas of Information Technology, the School of Information Technology is dedicated to achieve world class quality standards in it's academic programs, to become School of excellence. We aspires to constantly work and advance to impart, propagate and contribute to knowledge for sustained growth of the individuals and society. The academic programs are adequately combined with Theoretical inputs, Educational tours, Industrial visits and Project Work to understand the practical applications.

### **Online Assessment through software**

School of Information Technology continually supports their students for syllabus preparation and make them aware of new trends. As the corporate line is coming online interviews, all professional exams are coming to the objective pattern, MATS School of Information Technology also supports the trend and has introduces the class test assessment through software. The department not only motivates the students to develop such type of software to enhance their creativity but also provide platform to technically and practically come across the real time software.

## MATS SCHOOL OF LIFE & BASIC SCIENCES

**S**chool of Life Science & Basic Science as a part of MATS University, Raipur, looking to job prospects in interdisciplinary approach of Biological Sciences & Chemical Sciences has introduced Bachelors program (B. Sc. with Biotechnology and Microbiology). Master's program (M. Sc. with specialization in Biotechnology, Microbiology, Biochemistry and Chemistry), M. Phil. and Ph.D. in various branches of Life Sciences & Chemical Sciences with the motto "Knowledge with Innovation".

The department is been set up with well-equipped modern labs like Biotechnology, Microbiology, Biochemistry, Chemistry, Tissue Culture, Animal & Plant Sciences and A. C. Class-rooms. This facility allows the students along with the research scientist to access state of the art equipment for their sample analysis and sorting.

This will empower them with the latest technologies and enable them to pursue high quality fundamental research with creativity and innovation and thus the students will be ready for industry as well as academia.

## MATS SCHOOL OF FASHION DESIGNING & TECHNOLOGY

**T**he word 'fashion' immediately conjures up images of glitz and glamour. The onset of the International fashion market in India has given an impetus to the fashion industry which has emerged as the booming industry and career as a fashion designer is like a pot of gold. So, many young people who are attracted by these attributes decide to foray into the fashion industry. Fashion design is the applied art devoted to the designing of clothing and lifestyle accessories.

Fashion designing is one of the most lucrative, appealing, glamorous and exciting career options in today's world. If you have a penchant for creativity, style and originality, a career in fashion designing is the one tailor made for you. On one hand, the fashion industry satisfies both the creative fancies and the materialistic needs of the people. On the other hand, it promises glamour, fame, success and a high pay package to the talented people. Thus, if you can create magic with colours, shapes and designs, then MATS School of Fashion designing and Technology is giving you a bright chance to begin a successful career in the alluring world of fashion designing.

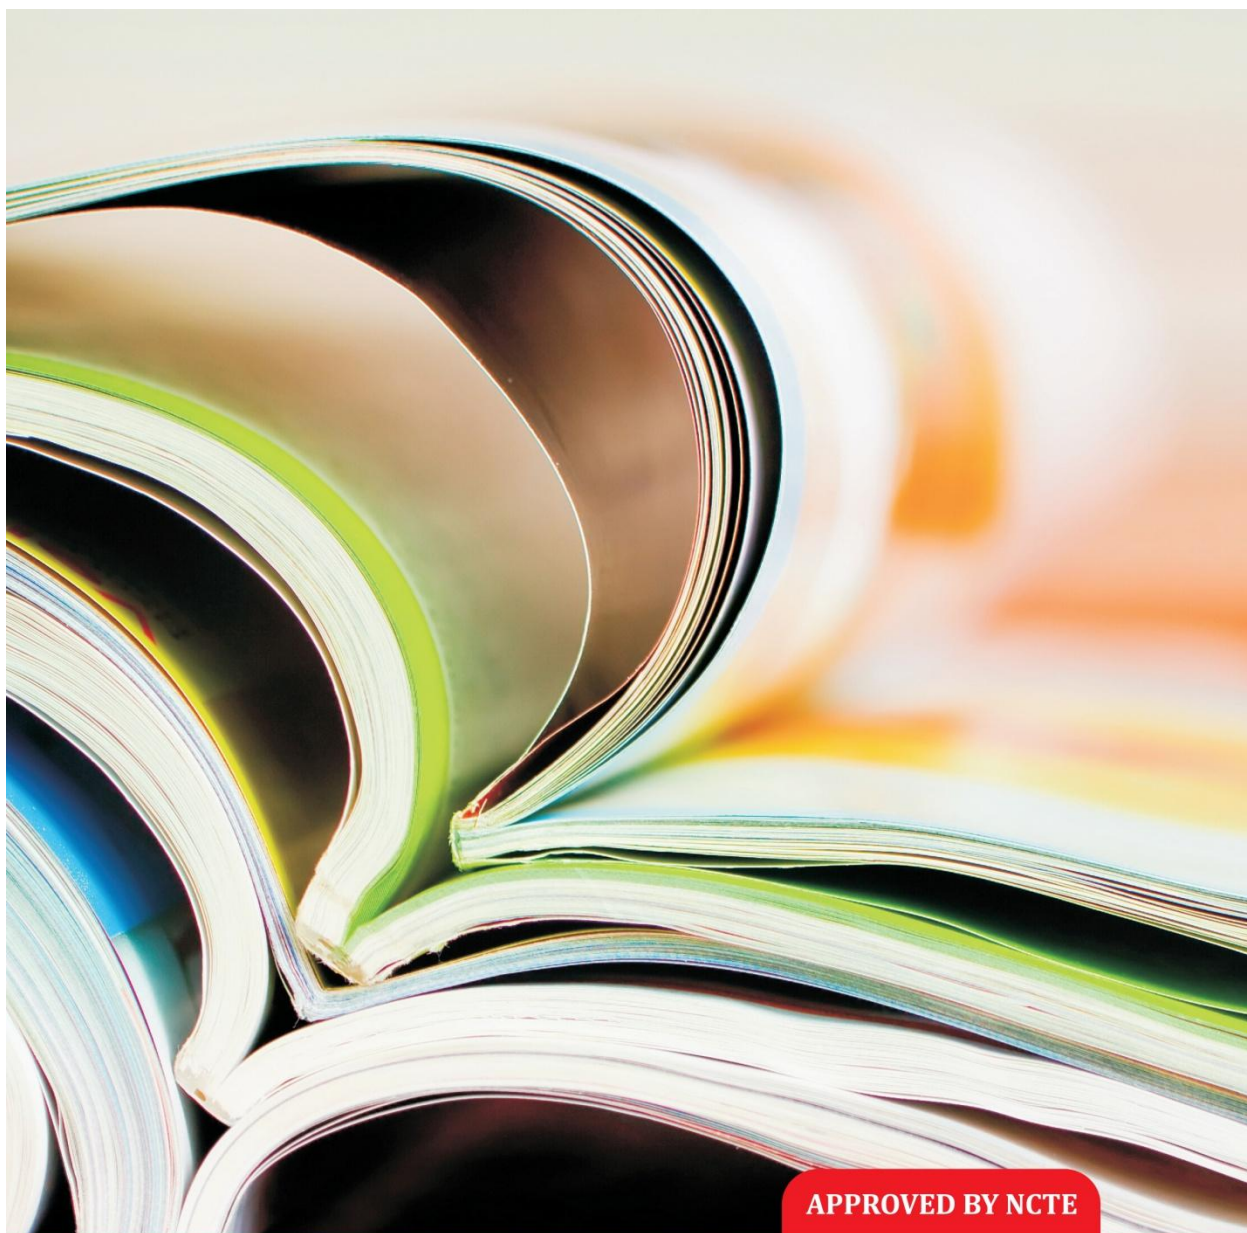

## MATS SCHOOL OF BUSINESS STUDIES

**C**ommerce can be defined as trade between states or nations. It has been taking place since the ancient times and has allowed for the exchange of needed or desired goods and services between different groups of people. With advances in manufacturing, transportation and communication, commerce has continued to flourish. The increasing complexity, diversity and expansion of trade and commerce in various economies, re-establish the importance of commerce discipline.

From a multinational trading company to a bank to a chartered accountant, the basic back ground required would be in the field of commerce. Knowledge in the area of commerce helps both at micro decision making for an organization and macro level- international trade and commerce.

School of Business Studies through its different programs moulds students to cope up with the up-coming challenges of life along with the deliverance of upgraded knowledge in the field of audit, taxation, stock broking services, financial institutions and financial services.

APPROVED BY NCTE

## MATS SCHOOL OF EDUCATION

**M**ATS School of Education provides holistic, value-based and interdisciplinary education; the aim is to train teachers who will empower future generations to live in local and global communities.

At MATS School of Education, Students are taught the core subjects of Education, Environmental Education, Evaluation of Learning and Guidance and Counseling in addition to more traditional teacher-training areas such as Educational Psychology, Content cum Methodology and Practice-Teaching. In addition to academics, there are ample opportunities for hands-on cultural, spiritual, artistic and community-service activities.

APPROVED BY NCTE

### MATS SCHOOL OF PHYSICAL EDUCATION

Welcome to the MATS School of Physical Education. Our goal is to promote the development of students' scientific knowledge, psychomotor skills, professional values, attitudes and behaviors.

As a graduate of Physical Education you can contribute personally and professionally throughout your life and career.

The program offers a skill based curriculum that integrates theoretical and practical approach.

The campus is furnished with facilities for outdoor games like football, hockey, volleyball, basket ball, Cricket, Kho-kho, Kabaddi, tennis and 400 mts Track, and indoor games like, Badminton and Table Tennis.

The department is furnished with ICT and Educational Technology Lab along with Anatomy, Physiology and Health Education Laboratory. Gymnastic Apparatuses are also there for making you perfect Physical Education Graduate.

## BACHELOR OF PHYSICAL EDUCATION (B.P.Ed.)

Bachelor of Physical Education (B.P.Ed.) is a four-year undergraduate degree. The first two years of the program provide the core foundation of the degree. Year three and four allow specialization whereby students are encouraged to explore diverse areas including exercise and Sport Science, Sport and Leisure Studies, Exercise Prescription and Management.

It is a well established, highly respected degree, and leads to a variety of careers. The degree emphasises teamwork and helps students develop important interpersonal and communication skills with an emphasis on critical thinking, effective communication and creative problem solving.

The programmes of study occur in a context that encourages interactions between our students and people from all walks of life - including people with disabilities, elite athletes, academicians, business people, scientific and educational researchers, and researchers and individuals from various cultures.

## MATS Hostel

preparation for life

| Separate for Boys and Girls | Boys Accommodation 700 | Girls Accommodation 300

MATS Hostel has strived to keep-up this motto that education and stay, should go hand in hand, "Preparing them for life". Our Hostel has pulled to form life-long friendship and remain small enough so that all students are known individually. Our staff is trained, enthusiastic, motivated and committed to care for young people, extending the Hostel's theme of 'Preparation of life!' Our Hostel runs comprehensive proficiency programmes and we take great care in supporting all of our students' talents. We have students participating and succeeding in a diverse array of sports, cultural and academic pursuits. Parents of MATS Hostel students are welcome to get involved in every aspect of hostel life. Parents are kept informed about Hostel life of their children, with phone calls, letters and regular newsletters. The boarding establishment provides an opportunity to young people to live away from home in a democratic way. Every effort is made to provide atmosphere of natural Indian family in which these young people can fully grow. They are guided for sound relationships with their peers.

**M**ATSOTSAV is a cultural extravaganza presented by the students. It is a celebration of our deep rooted culture & expression of joy that essentially keeps flowing beneath, within the campus throughout the year. Dance, drama, song and other varieties of the stage performances spice up the prize distribution, academic honours & annual report presentation. Awards are given by the honorable Chief Guest who always happens to be a distinguished personality from the field of Academics, Arts, Sports or Social Service.

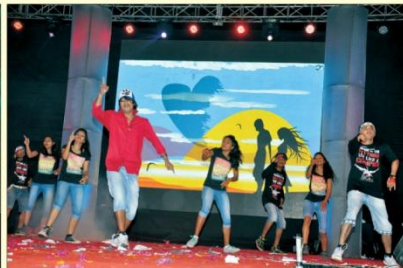

The students manifest their talent in various art forms pertaining to stage & win accolades from the august gathering that keeps itself glued to the seats till the very end with clapping hands & swaying heads.

MATSOTSAV 2014 is celebrated in beautifully decorated pristine premise at Agrasen Dham, Raipur with activities as the enthusiastic students of MATS University celebrated their Annual Function. The mood was festive and upbeat. This MATSOTSAV of began with lighting of the lamp by the honorable Chief Guest Swami Prapatyanandji, of Vivekanand Ashram, Raipur and the other dignitaries; followed by Saraswati Vandana.

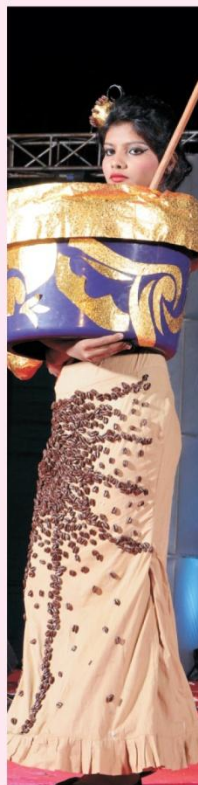

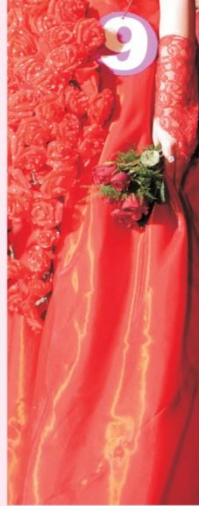

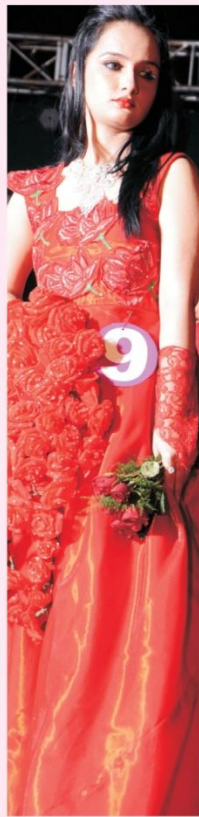

Vice – Chancellor of MATS University, Hon'ble Dr. S.K. Singh, The Chief Guest and The Guest of Honour enlightend the students with their valuable thoughts. Mementos will be presented to The Chief Guest and Guest of Honor as a respect of their presence. Prize distributions is a part of any Annual Function; the best students in sports and Academics, Class toppers, winners of various sports, cultural co-curricular events will receive their respective awards and prizes trophies and certificates.

## FASHIONOTSAV-2014

## Beyond Academics

## MATS Sports *letsplay...*

**S**porting activities display the liveliness of academic institutes. We identify sports as one of the most natural and important form of recreation. It is the best way to improve one's health and spirits that is essentially required to excel in all the aspects of one's life. We are proud to have such excellent sporting talents that have won glorious achievements at District, State and National level in different disciplines of sports.

Facilities for indoor games like Table Tennis, Carom, Chess and out door games are provided in the University campus.

There is a fully equipped multi purpose Hall where Yoga, Martial-art, Judo, Karate, Taekwondo Classes are conducted for our students.

MATS University is the only academic institute in Chhattisgarh State which has fully Air Conditioned Gymnasium. A well equipped and separate portions of Aerobic and Weight Room are the part of Fitness Center. These facilities are useful to give ample training for "Vishwa Chaitanya".
